26th February 2020

Dear Parents

School Photographer

The school photographer, Tracey, will be in school on Monday 2nd March. We will make sure all the children have their photo taken in their appropriate year groups but, if you want to come in and have siblings included please come in early in the morning and Tracey will do these first.

Brewery Arts

Thank you to those of you who have returned the slip for the visit to watch Emergence Dance perform at the Brewery Arts Centre, Kendal on Thursday 5th March. We will give further information about departure and expected return times at the end of the week.

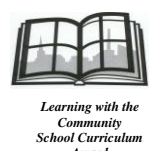

World Book Day - 5th March 2020

I have attached a World Book Day Token which can be used by your child to get a free 'book day' book or £1 off a book of their choice. These are valid from 27th February – 29th March 2020. It's a great opportunity to get a new book!

PE Kit

It's essential that all children have full PE kit in school. This includes black shorts, white T-shirt, jogging pants\trainers, fleece or sweatshirt, spare socks and trainers. All of this kit **MUST** be kept in school for the whole half term. A lot of time is lost finding spare kit and especially trainers for children who do not have a kit. Tag rugby is every Tuesday until the end of term. We are going to check that every child has full PE kit in school next Monday.
