Dear Parent/Carers,

I have received a letter from a concerned member of Armathwaite community about parking outside school. Please could I ask that we all show consideration when we park. It's so important for the safety of all our children and other people using the road. I appreciate that the road is not wide but ask please that nobody parks near to the school gates or on the pathways as this can restrict access and could cause injuries. Please park on the road rather than across the footpath.

Thank you very much for your support with this. Safety is always a top priority for us and we pride ourselves on being considerate neighbours.

Yours sincerely,

Helen Hepworth  
Head Teacher
