Dear Parents,

Year 4 Multiplication Test

In June our Year 4 children will be completing the new government multiplication test. This test is completed online. We would like to invite you to come along to a short meeting on Tuesday February 11th from 3pm to 3.30pm, when Mrs Gill and I will give you a little more information, tell you how you can help your child practise for this test and answer any questions you may have. We realise this time may not be convenient for some people (we can never find a good time for everyone) but really hope you can come along.

Looking forward to seeing you there.

Yours sincerely,

Helen Hepworth
Headteacher
