

Suggested Timetable for Year Reception

9 to 9.30am	9.30 to 9.50am ish	9.50 ish to 10.15am	10.15 to 10.35am	10.35 to 11.15am	Reading	12 to 12.30pm	Afternoon
Joe Wickes PE	Maths ~ only expect your child to concentrate for 15 to 20 minutes on the activity.	Do something practical with things in your house to reinforce the learning in the book ~ ie sock patterns, build a tower with cereal boxes , cut out shapes and leave a shape trail around the house for your child to follow! etc	Break time with a drink of water\milk and some fruit\veg and a chat together(we sit down and do this with the children every day)	Phonics ~ watch the Alphablocks clip or go on phonicsplay. Practise the sounds in the clicky wallet or sound and blend words on one of the word lists. Do one of the sheets. Write a letter, story, list, funny rhyming poem, sign etc. Not all on the same day!	Practise the high frequency words in the clicky wallet	Lunch and a play in the garden of possible You read to your child at some point in the day ~whenever works but every day if possible.	Do some research Draw a picture Make a model Play with your toys Play in the garden if this remains the advice Look for a good numberblocks to watch or watch a story if you need a break
	You could start with counting on or back from any number to 21		Run 10 times round the garden!		Read one of your child's reading books.		

Every day or two I will try to send you an idea for a different something new to play with your child\children. I know you probably won't need this but it may help now and again. Remember praise and positivity and enthusiasm goes a long way ~ if you are genuinely enthusiastic and make it fun your child will be enthusiastic too.

Suggested Timetable for Year 1

9 to 9.30am	9.30 to 10.15 am	10 to 10.15am	10.15 to 10.35	10.35 to 11.15am	Reading	12 to 12.30pm	Afternoon
Joe Wickes PE	Maths ~ only expect your child to concentrate for 20 to 25 minutes on the activity.	Do some practical measuring in the kitchen. Use scales to weigh toys (which toy is heaviest), a banana, ingredients for a recipe etc. Estimate first then weigh. You estimate too.	Break time and a snack	Phonics ~ watch an Alphablocks (it's good to re-watch these several times), practise all those tricky sounds wallet or sound and blend words on one of the word lists. Do a phonics\handwriting sheet. Go on phonics play. Write a letter, story, list, funny rhyming poem, sign etc. Not all on the same day!	Practise the high frequency words in the clicky wallet	Lunch and a play in the garden of possible	Do some research Draw a picture Make a model
	You could start with counting on or back from any number within 108		Run 15 times round the garden!		Read one of your child's reading books.	You read to your child at some point in the day ~whenever works but every day if possible.	Play with your toys Play in the garden if this remains the advice Find a good number blocks or story to watch if you need a break
